HOW TO EXHIBIT YOUR INVENTION

Your invention can be exhibited as :

- a pre-series sample
- a commercial sample
- a prototype
- a model
- a plan, drawing, photo or descriptive text.

We shall place on your stand :

- a notice (measuring 65 X 15 cm) placed above your invention, giving your name and nationality.
- a technical notice (measuring 21 x 17 cm) giving a brief description of your invention in English and French.

If you want us to supply furniture, or electric current on your stand, you must request these items on the special forms which we will send you, or which you can find on our Internet site :

www.inventions-geneva.ch

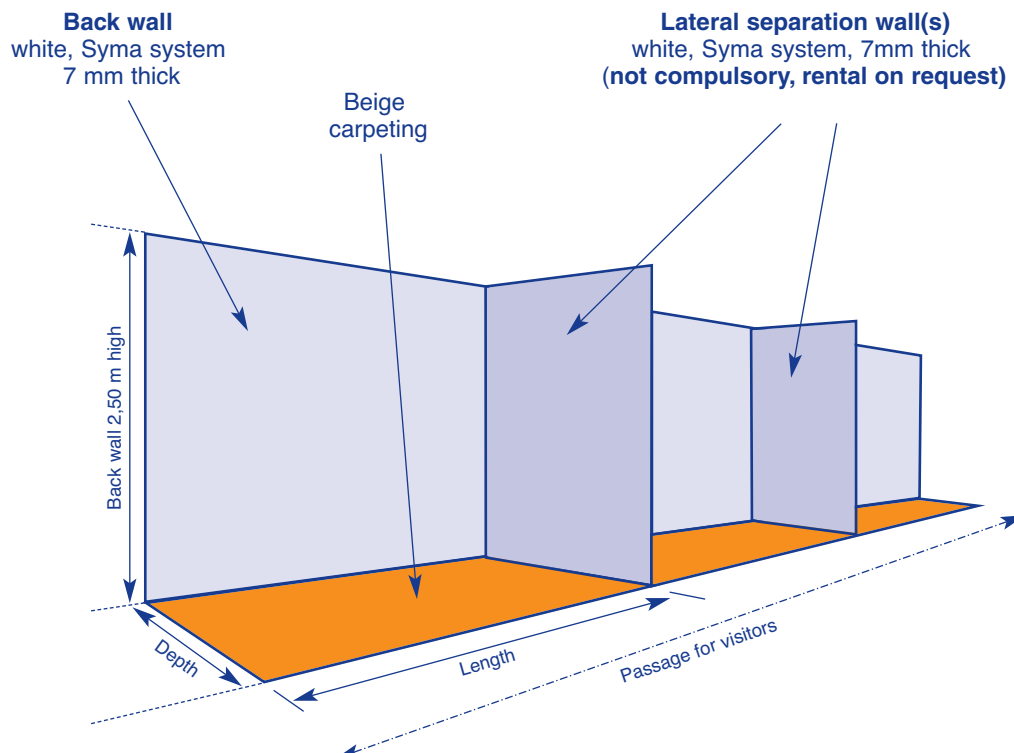

If you require a special stand just send us a sketch showing measurements and where you require walls. We will send you an offer.

Services of the team of interpreters / hostesses to help you communicate with foreign visitors.

STAND WITH BACK WALL AND CARPETING

The inventions are exhibited side by side on stands with a back wall 2,5 m. high. If you require one or two lateral separation wall(s), please specify in the paragraph "STAND RENTAL COSTS". Please indicate the dimensions of the stand you require on the entry form under "STAND RENTAL COSTS".

Art. 1 - The International Exhibition of Inventions of Geneva is open to: inventors, companies, firms, promoters, associations, universities, private and state organizations, showing inventions already protected by intellectual property rights.

Art. 2 - An invention may only be presented once at the Exhibition in Geneva, unless substantial modifications have been made to it since it was first exhibited.

Art. 3 - Inventions may be presented in the form of pre-series or commercial samples, already manufactured articles, prototypes, models, plans, drawings, photos and texts.

Art. 4 - In the Official Catalogue, the inventions will be published in one of the following classes and the Committee alone shall decide in which classes they shall be placed.

- Class A **Mechanics - Engines - Machinery - Tools
Industrial processes - Metallurgy**
- Class B **Clocks and watches - Jewellery- Machinery - Tools**
- Class C **Computer sciences - Software - Electronics
Electricity - Methods of communication**
- Class D **Building - Architecture - Civil Engineering

- Class O **Teaching methods and materials - Musical instruments
Art materials**
- Class P **Transport - Motor vehicles - Ships - Aviation
Accessories**
- Class Q **Foodstuffs - Drinks - Cosmetics - Paramedical - Health
Hygiene**
- Class R **Sport - Leisure**
- Class S **Practical novelties - Presents**
- Class T **Publicity - Printing - Packaging**
- Class U **Games - Toys**
- Class V **Protection of the environment - Energy**

Art. 5 - The inventions exhibited will be grouped by country. Exhibitors must indicate on the entry form the kind of stand they will need. Stands will be sited by the Committee.

Art. 6 - SALE TO OUR VISITORS

Exhibitors may not sell products or articles directly to visitors. However, sale of products or articles is authorized in a special section of the Exhibition. For information, apply to the Secretariat.

Art. 7 - Exhibitors must complete A SEPARATE ENTRY FORM FOR EACH INVENTION WHICH THEY WISH TO EXHIBIT. Not more than one invention may be included on each form. Entry forms, duly completed and signed, should be sent as soon as possible and before the deadline to the Secretariat. After this date, subject to places still being available, entry fees will be increased by 10%.

Art. 8 - Once the Entry Form has been accepted and registration confirmed by the Committee to the exhibitor, the exhibitor is obliged to pay the total amount of his/her invoice within the delay indicated. Exhibitors who cancel their participation before the last registration date must pay 50% of their invoice. Exhibitors who cancel their participation after the last registration date must pay the whole amount of their invoice.

Art. 9 - Exhibitors requiring an electricity supply, furniture, parking or advertising space in the Official Catalogue must submit their requests on the special forms which will be forwarded to them within the deadline and are on www.inventions-geneva.ch.

Art. 10 - GENERAL INSTRUCTIONS

After receipt of the Entry Form, the Committee will send to each exhibitor the General Instructions concerning :

- the dates for building and dismantling the stands
- how to send and/or transport the inventions
- the official opening ceremony of the Exhibition
- the day on which the International Jury examines each invention
- the prize-giving ceremony.

Art. 11 - The Committee accepts no responsibility for any errors in the translation or wording of descriptions and advertisements published in the Official Catalogue.

Art. 12 - A security service will operate during the whole period of the Exhibition. However, the Organizing Committee and its representatives abroad accept no responsibility for loss, theft, damage due to fire or other causes, or personal injury suffered, during the Exhibition or in transit.

Art. 13 - By his formal application to participate in the Exhibition, each exhibitor undertakes to ensure delivery of his invention at the time stated in the instructions he receives and to allow it to remain on display during the whole Exhibition. Any exhibitor withdrawing his invention before closure shall render himself liable to pay damages and shall forfeit any award made to him.

The Committee of the International Exhibition of Inventions of Geneva
